Masson de Morfontaine is happy to welcome the BLCC members to its **“Meet the Members Roundtable”** breakfast, followed up by a seminar on the **“Legal and Tax Mechanisms to Protect your Business in Hong Kong”**.

Indeed, being an entrepreneur or a business owner is not an easy job and most of the time they are facing numerous challenges throughout their project. Our team of legal and tax experts will share their experiences of some common pitfalls, and will present you different tools to avoid these traps and to protect your business from a legal and tax perspectives.

Francois Barbotin (International Corporate Services Advisor) will talk about key provisions to be included in a shareholders’ agreement to avoid any future disputes and deadlock situation. He will also touch upon key requirements to hire foreign talents or start off a business in Hong Kong.

Anthony Hung (Tax Director) will highlight the factors you need to be aware of when claiming offshore status in Hong Kong as well as inform you on how the new PRC individual tax residency rule may affect your employees.
